Volunteer Opportunities

Administrative Support Extraordinaire

Are you a person with a flair for organization? We have an opportunity to support our administrative staff with such duties as filing, organizing, mailings and general office duties.

Book Lover Needed

We are in need of a book lover to help with our wonderful, child centered library. Duties include organizing, incorporating new books, and making the space as user friendly as possible.

Outdoors Lover Needed

Do you live for being outside? Join us to provide light landscaping, maintenance and to help beautify our outdoor space. Help make our school safe and inviting for the children and families that we serve.

If interested, please email Rebecca Peterson at rebecca.peterson@cop-denver.org.
